

Model 07.0200 2-Unit Horizontal Equipment Rack

The **SHO-ME**® Two-Unit Horizontal Equipment Rack houses radio, siren, and switching systems without interference to the driver or to airbag deployment.

Instructions

1. Assemble the mounting arms to the base using the supplied bolts and nuts. **DO NOT TIGHTEN YET.**
2. Mount the electronic equipment to the mounting arms. Adjust the mounting arms at the base to fit the equipment.
3. Secure the mounting arms by tightening the bolts and nuts on the base.
4. Mount the Equipment Rack securely to the floor of the vehicle using nuts, bolts and lock washers. If necessary, use self-tapping screws or contact your distributor for custom “No Holes to Drill” kits that allow you to mount the Equipment Rack on the center hump of the vehicle using the existing seat bracket bolts.
